

THREE RIVERS ADAPTIVE SPORTS
ANNUAL WATER SPORTS CLINIC
Conneaut Lake, Pennsylvania

Mark your calendars for July 16, 17, 18, 19 2018!

Come join us for some fun in the sun at our annual adaptive water sports clinic at Conneaut Lake. This 4-day event will be an instructional clinic for children and adults with physical challenges at a beginner or intermediate level. Three Rivers Adaptive Sports' group of professional, experienced volunteers will be on hand to provide instruction to participants and to train new volunteers. Registration for both skiers and volunteers will be from 8-9:00 am. New volunteer training will be provided each morning from 8:30-9:00 am, followed by hands on participation with a mentor. Skiers will ski daily from 9-4pm. *Participant and volunteer lunches will be provided free of charge.*

Volunteers are needed on land and in the water. No experience is necessary; however you must be at least 16 years old to volunteer in the water. We'll find a task to fit your abilities. Anytime you can give will be greatly appreciated. All new volunteers planning to work in the water must attend a morning volunteer training session. If you want to volunteer please fill out the attached volunteer registration form online or **mail it by July 5th** to Marcia Logan at the address below.

Skiers are asked to choose up to two days out of the four days offered. Space is limited to 15 skiers per day so please respond by July 5th to reserve your spot! If you are interested in skiing, please complete the participant registration form and waiver online or mail it with fee (made payable to Three Rivers Adaptive Sports) to:

Marcia Logan
5 Canterbury Road
Pittsburgh, PA 15202

In order to plan for food and schedule volunteers I will need a form from everyone attending the clinic – both volunteers and participants!
